**CITI HOUSING ACTUAL IMAGE**

# INNOVATION & TECHNOLOGY

# CUSTOMER BASE

Worked on by the latest international town planning and engineering standards, Citi Housing not only merges modern innovations with the up-to-date technology but also provides a down to earth experience in the process. With an extensive network of winding roads, Uninterrupted underground electric supply, international standard school system, lush green parks, and a zoo along the canal bank for the entertainment of your children, Mosque and a fully equipped hospital, these are only a few wonders that are provided to the residents.

The projects of the company spread throughout the Punjab, and the company has earned a large base of satisfied and happy customers. The growth in customer base of the company has gone exponentially higher. These customers are the asset of the company as they add value to the products and services offered by the company and also play a vital role in enhancing the customer base. Currently, Citi Housing has thousands of satisfied members residing in its various projects across the Punjab and the figure is increasing day by day.

**CITI HOUSING ACTUAL IMAGE**

# COMPANY'S OVERVIEW

The company has obtained approvals of its projects from Gujranwala Development Authority (GDA), Faisalabad Development Authority (FDA), Tehsil Municipal Administration (TMA) Daska, Tehsil Municipal Administration (TMA) Jhelum and Multan Development Authority (MDA). All the projects are governed under Punjab Local Government Ordinance 2001 and Punjab Private Housing Schemes and Land Sub-division Rules 2009.

The company has close collaboration & arrangements related to its projects and provision of utilities with Water and Sanitation Agency (WASA) Gujranwala, Gujranwala Electric Power Company (GEPCO), Islamabad Electric Supply Company (IESCO), Water and Sanitation Agency (WASA) Faisalabad, Faisalabad Electric Supply Company (FESCO), Water and Sanitation Agency (WASA) Multan, Multan Electric Power Company (MEPCO) and Sui Northern Gas Pipelines Limited (SNGPL). The Company has also obtained approvals and NOC from Environment Protection Department, Irrigation Department, National Highway Authority and Civil Aviation Authority and other relevant Government departments.

The company has been reshaping streetscapes and lifestyle preferences in cities like Gujranwala, Jhelum, Sialkot, Faisalabad and Multan providing international standard gated communities equipped with world-class amenities and infrastructure in a completely secure environment, where our happy residents enjoy every moment of a luxurious Gold Standard Living.

Since its inception, Citi Housing has become an icon as one of the most innovative, diverse and reliable real estate developer. Our reputation for delivering the highest quality properties elevated us to forefront of real estate development in just a decade.

As a performance-driven organization, our greatest assets are our people and their dedication to deliver the best. We are not only committed to the growth of our human capital but we also encourage a culture of excellence and leadership towards greater successes. We inspire and reward entrepreneurial behavior, leading by example, prudent risk-taking; to foster an atmosphere of respect and empowerment for all employees.

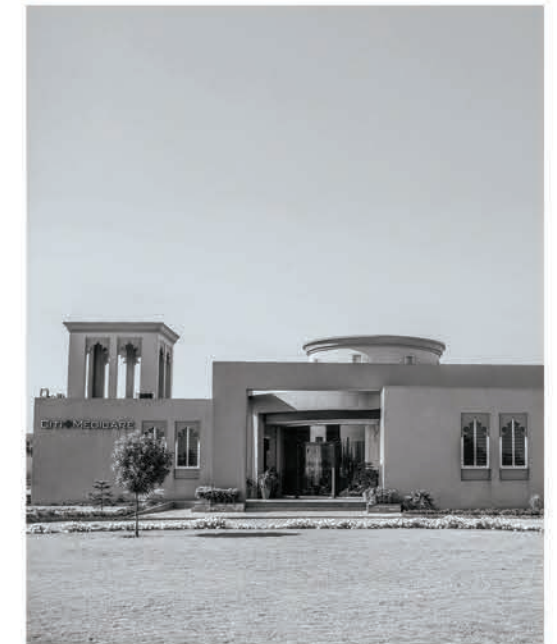

The core values of the company encourage employees to pursue high standards of business ethics, safety and respect for people. The company has played a major role in the development of the entire value chain of the local industry and is proud to have contributed in poverty alleviation at the grass root level by nurturing localization that in turn has directly created thousands of job opportunities.

# CORPORATE SOCIAL RESPONSIBILITY

CITI HOUSING ACTUAL IMAGES

Citi Housing is committed to responsible real estate development. Our business decisions incorporate careful consideration of people's health and safety, environmental protection, and community well-being. Citi Housing's community investment priorities are in areas of public health, education, and poverty alleviation.

A wide-angle photograph of a grand stone gateway. The gateway features four large sphinxes, one on each side, flanking a central fountain. The fountain is a circular structure with a tiered base and a central spout. The gateway is set in a landscaped area with a road, greenery, and a clear blue sky. The text 'SHAPING CITIES' is overlaid on the left side of the image.

# SHAPING CITIES

**CITI HOUSING ACTUAL IMAGE**

## CITI HOUSING, GUJRANWALA

**CITI HOUSING ACTUAL IMAGE**
